

# MYHealth Summer Launch Research Training Program

MYHealth Summer Launch Research Training Program is a 10-day, **virtual** program for high school students from Southeast Michigan. MYHealth Summer Launch students play games and complete interactive activities to learn about the basics of health research, research methods, and research ethics.

MYHealth Summer Launch students can expect to:

- Meet on Zoom for about **5 hours each day** (Monday through Friday)
- **Learn about research** from **real-life health researchers from the University of Michigan** and other universities around the country
- **Be part of a paid research study** where they will complete three 30-minute surveys and two one-hour post-program interviews

Join Us!  
**7/29 -  
8/9**

After Summer Launch, students can join the academic-year program (Impact Projects) where they will work online in small teams and use MyVoice, a national text message survey ([www.hearmyvoicenow.org](http://www.hearmyvoicenow.org)), to understand adolescent health issues.

## Who Can Participate in MYHealth Summer Launch?
